

# MECHANICAL & ELECTRICAL ENGINEERING

---

## BUILDING SERVICES

The logo for Vox Network Consultants is centered in the upper half of the image. It consists of a dark blue circle containing the word "VOX" in white, bold, sans-serif capital letters. Below "VOX" is the text "network consultants" in a smaller, white, lowercase sans-serif font. The logo is overlaid on a large, semi-transparent teal circle and a semi-transparent light blue circle. The background of the entire page is a photograph of a modern building with a glass facade and a curved, metallic structure, set against a sky with soft clouds.

the face of recruitment

The Pertemps Network logo features a stylized blue silhouette of a person's head and shoulders, facing right, positioned to the right of the text "the face of recruitment".

# INTRODUCTION

Attracting, hiring and continuously engaging top talent has never been more challenging.

Vox Network Consultants is specialist recruitment solutions provider for technical & engineering companies in a diverse array of industries.

We understand that the success of any organisation will be defined by the people it employs. Our stand-out outsourcing and consulting services come with almost 50 years collective experience demonstrated across multiple sectors.

We adopt innovative, scalable and dynamic processes to reshape how organisations source, engage and retain talent.

In today's candidate-led labour market, the process of hiring requires right-fit technology, innovation and analytical insights that support proven methodologies.

We are highly trusted by clients and candidates and form part of a wider network of recruitment specialists group companies that provide unrivalled knowledge.

Our continued engagement with leading specialist technical and engineering companies ensures Vox Network Consultants partner industry experts for all their recruitment and on-boarding services.

Now a part of Pertemps Network Group, our increased capability gives us the infrastructure to exceed even the largest technical suppliers whilst being as being as bespoke as an internal recruitment function.
