New Build and Fit-Out

INTRODUCTION

Attracting, hiring and continuously engaging top talent has never been more challenging.

Vox Network Consultants is a specialist recruitment solutions provider for New Build and Fit-Out companies in a diverse array of industries.

We understand that the success of any organisation will be defined by the people it employs. Our stand-out outsourcing and consulting services come with almost 50 years collective experience demonstrated across multiple sectors.

We adopt innovative, scalable and dynamic processes to reshape how organisations source, engage and retain talent.

In today's candidate-led labour market, the process of hiring requires right-fit technology, innovation and analytical insights that support proven methodologies.

We are highly trusted by clients and candidates and form part of a wider network of recruitment specialists group companies that provide unrivalled knowledge.

Our continued engagement with leading specialist technical and engineering companies ensures Vox Network Consultants partner industry experts for all their recruitment and on-boarding services.

Now a part of Pertemps Network Group, our increased capability gives us the infrastructure to exceed even the largest technical suppliers whilst being as being as bespoke as an internal recruitment function.

NEW BUILD AND FIT-OUT

Vox's team of experienced New Build and Fit-Out recruitment consultants work with some of the most talented names within the construction industry.

Our teams of trusted recruiters each focus on a specialist area within the construction industry, developing a deep understanding of their area and establishing crucial relationships with a network of key individuals and companies. Our candidates and clients alike find our truly consultative approach refreshing and the ability to speak to someone who understands their language makes it easier, whether it's finding the right person or the right job.

WE ARE INDUSTRY LEADERS

We're devoted to helping clients find top-performing talent and connecting job seekers with exciting opportunities in the technical and engineering sector. Our specialist consultants understand the ebb and flow of the industry and offer an innovative approach to resolving your recruitment challenges.

Whether you are looking for permanent, temporary or contract/interim staff, we will deliver the best people to match your requirements. Work with us and we'll take the stress out of finding great people, so you can get on with the important stuff.

- Cost and time savings
- First class candidate experience
- Access to an extensive range of talent through established sourcing techniques
- Ongoing review of our processes to ensure they are market leading

TEMPORARY RECRUITMENT

Operating from our UK headquarters, Vox has the knowledge and expertise to proactively meet your temporary recruitment needs. Our innovative candidate attraction techniques and professional insights into the industry make us the perfect partner for any business looking for a temporary workforce solution.

Whether you need high-volume recruitment or a singular person, our specialist consultants will gain a true understanding of your company's culture and values before placing a candidate with you to make sure they are the best fit.

PERMANENT RECRUITMENT

We operate an end-to-end permanent recruitment solution for our clients, offering a variety of services to facilitate each individual need. Our bespoke consultancy service ensures that the ever-changing demands of your establishment are always met. You can rest-assured we will provide the best permanent candidate for you.

Our extensive candidate networks partnered with our experienced team and passion for recruitment makes Pertemps New Build and Fit-Out the best company to add real value to your processes.

MANAGED SERVICE PROVIDER

We provide recruitment models bespoke and tailored to each client, including:

- MSP – Managed Service Partners
- RPO - Recruitment Process Outsourcing
- Future Talent
- Modular Recruitment

We deliver real, innovative and responsive total workforce acquisition and management solutions designed to support your strategic, operational and geographical objectives.

The Managed Service route allows our clients the freedom to dictate how the supply chain is set up but without the headache of managing it day-to-day. Vox Network Consultants will be the face of the business to the wider market by streamlining all recruitment activities and processes.

Our Managed Solutions help our clients hire the best talent: a better quality of hire, better retention rates and overall better business performance with our flexible and agile Recruitment Process Outsourcing (RPO) models.
