# Property

# INTRODUCTION

Attracting, hiring and continuously engaging top talent has never been more challenging.

Vox Network Consultants is a specialist recruitment solutions provider for property within the public and private sector.

We understand that the success of any organisation will be defined by the people it employs. Our stand-out outsourcing and consulting services come with almost 50 years collective experience demonstrated across multiple sectors.

We adopt innovative, scalable and dynamic processes to reshape how organisations source, engage and retain talent.

In today's candidate-led labour market, the process of hiring requires right-fit technology, innovation and analytical insights that support proven methodologies.

We are highly trusted by clients and candidates and form part of a wider network of recruitment specialists group companies that provide unrivalled knowledge.

Our continued engagement with leading specialist technical and engineering companies ensures Vox Network Consultants partner industry experts for all their recruitment and on-boarding services.

Now a part of Pertemps Network Group, our increased capability gives us the infrastructure to exceed even the largest technical suppliers whilst being as being as bespoke as an internal recruitment function.

# PROPERTY SECTOR

Due to extensive experience supplying into the public and private sectors specialising within property. Vox has quickly become one of the “go to” recruitment partners and solution provider for the NHS, Central Government, Local Authority and Housing Associations. We act swiftly and supply innovative and effective solutions across key technical areas as standard procedure.

Providing contractors and clients with an understanding of the processes and protocols that exist within the property sector. Vox has access to a continuously expanding database, access to a multitude of job boards and the largest LinkedIn Group account. We have become a highly credible consultancy to the large managed services many organisations currently use.

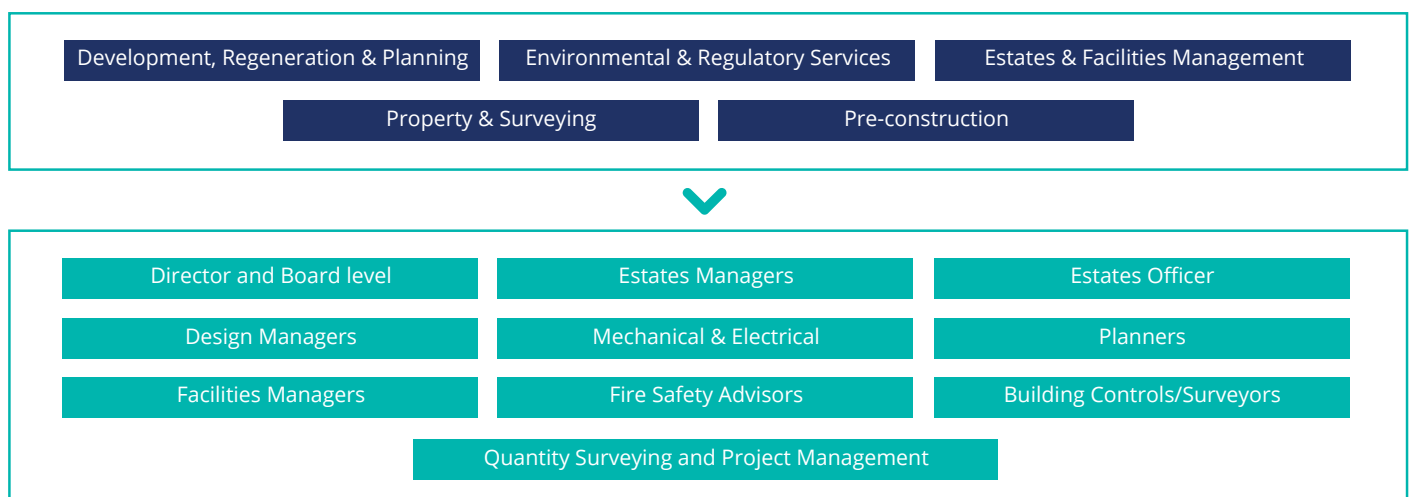

Vox; powered by Pertemps, supplies several major global players in the market. Our consultants comply with all statutory and engineering requirements, delivering up-to-date guidance on the essential legislations.

# WE ARE INDUSTRY LEADERS

We’re devoted to helping clients find top-performing talent and connecting job seekers with exciting opportunities in the public and private sector. Our specialist consultants understand the challenges of the industry and offer a consultative approach to resolving your recruitment needs.

By choosing Vox, our clients have opted for an efficient and effective solution to permanent and temporary hiring – allowing our entire client portfolio to concentrate on the core business delivery giving us, Vox, the onus of recruitment.

# OUR RECRUITMENT SOLUTIONS

At VOX, we provide specialist support and advice to our clients up and down the country. The reason we're so successful is simple: we make sure we know your business inside out. Managed Services, RPO, Permanent, temporary, or contract positions; our highly experienced team do their utmost to find the right people for the right jobs. We support you with permanent hires, temp to perm transfers and finding interim staff through our extensive networks and bespoke attraction methods.

## WE GUARANTEE

- A seamless and innovative recruitment process
- Supply chain management
- Thorough assessment of candidates before placement
- Skills profiling for senior positions
- Cost and time savings
- First class candidate experience
- Access to an extensive range of talent through established sourcing techniques
- Ongoing review of our processes to ensure they are market leading

## TEMPORARY RECRUITMENT

Operating from our UK headquarters, VOX has the knowledge and expertise to proactively meet your temporary recruitment needs. Our innovative candidate attraction techniques and professional insights into the industry make us the perfect partner for any business looking for a temporary workforce solution.

Whether you need high-volume recruitment or a singular person, our specialist consultants will gain a true understanding of your company's culture and values before placing a candidate with you to make sure they are the best fit.

## PERMANENT RECRUITMENT

We operate an end-to-end permanent recruitment solution for our clients, offering a variety of services to facilitate each individual need. Our bespoke consultancy service ensures that the ever-changing demands of your establishment are always met. You can rest-assured we will provide the best permanent candidate for you.

Our extensive candidate networks partnered with our experienced team and passion for recruitment makes Pertemps Technical and Engineering the best company to add real value to your processes.

# MANAGED SERVICE PROVIDER

We provide recruitment models bespoke and tailored to each client, including:

- MSP – Managed Service Partners
- RPO - Recruitment Process Outsourcing
- Future Talent
- Modular Recruitment

We deliver real, innovative and responsive total workforce acquisition and management solutions designed to support your strategic, operational and geographical objectives.

The Managed Service route allows our clients the freedom to dictate how the supply chain is set up but without the headache of managing it day-to-day. Vox Network Consultants will be the face of the business to the wider market by streamlining all recruitment activities and processes.

Our Managed Solutions help our clients hire the best talent: a better quality of hire, better retention rates and overall better business performance with our flexible and agile Recruitment Process Outsourcing (RPO) models.
